

FACILITY MEETING ROOM:

The De Beque Fire Protection District now has a room that can be scheduled for group or company meetings, birthday or anniversary parties, graduation or wedding receptions and other events.

The kitchen area is currently unfinished, but the tiled area can be used for food staging with electrical outlets for plugging in warmers and crock pots. There are separate public restrooms off the community room for your party's use.

The room measures 23 x 41 and holds approximately 50 people—depending on number of tables.

There will be no charge for using the facility. A cleaning deposit in the amount of \$50 will be collected at time of booking. This will be returned to renting party once event is over and cleaned up to the condition the room was in prior to the rental. Donations to help offset facility expenses are welcome.
